

SUBSCRIBE TO THE BAY STATE BANNER TODAY

Why subscribe? Your support is critical to the Banner's sustainability and continued growth. Your subscription tells our advertisers that our readers are committed to the Banner and are loyal readers. Your subscription also helps to offset the high cost of printing the paper each week.

Part of the Banner's mission is to give back to the community. Your support enables us to continue to provide support for the many important community organizations that rely on the Banner to get the word out about their important programs. We would also like to give back to our subscribers by providing you with a new discount card called Banner Club Card.

This card will provide you with discounts to various businesses starting Oct. 1, 2009 and good until October 1, 2010. Below is a partial list of discounts available. A full list will be posted online during the year of the program at www.baystatebanner.com/subscription. It will be updated regularly with new discount opportunities as they become available. Please go online for details on discounts.
