AboutBlackBoston.org Getaways (ABBG), a BlackBoston.com service has test marketed a **Trolley bus tour service** using the RoxburyTrolley.com brand with innercity residents. Let me tell you what happened.

From mid-2019 through December, we successfully executed 275 passenger bus seat booking including large group transfers from Logan airport and destination trips to museums and amusement parks outside Boston City limits on motor coach charter buses. Newport Jazz Festival 2019 was one of the perks.

Visiting tourists in the downtown area found our tour offers at AboutBlackBoston.org. They were seeking 2 to 4-person private Roxbury and Martha's Vineyard guided tours of Black heritage sites, landmarks and institutions.

In August 2020 a private group of 5 braved the Covid-19 threat to tour our recommended Black Martha's Vineyard route and they explored Nantucket Island for the first time.

Tell us what you think about using a RoxburyTrolley tour service bus or any bus to get where you are going if you are with a school, a non-profit program, a family group or a social group or an association. We want your help in building a New England Black Heritage Tour business model.

Also, we are [Gray Line](http://GrayLine) sightseeing authorized. Tours cover the most popular Colonial History sightseeing locations in Massachusetts. History is everybody's story and Black Boston history is woven into the tour

TOURS: If you are interested in taking the trolley tour of Lower Roxbury, The South End, the Highland Park area, and parts of Jamaica Plain and Dorchester, let us know. The trolley bus departs from Franklin Park and Back Station.
