Most projects are made in Massachusetts with state film tax credits. – January 2019 Update

January 6th, 2019

Movie, Film and Talent Acquisition Service Memo

This document contains examples of older paid work opportunities we shared in 2018. We receive a lot of offers. These are gigs for actors, extras, Multilingual speakers, skateboarders, basketball players, mothers with infants and etc., the list goes on and on.

We will do more but we have to cover our cost. We are not a non-profit enterprise. Beginning in January 2019, we will email paid casting call gig offers direct to your Inbox, but this benefit will be provided to PAID AboutBlackBostonOnline Network members. Public posted items will be for *information only about opportunities that closed.*
