Locals wanted for the LITTLE WOMEN movie production.

(received September 10th, from BostonInno e-News letter)

Are you a Little Woman? There is one way to find out. Casting directors for the upcoming “**Little Women**” film have issued an audition call for local residents to fill background roles. The classic novel by Concord native **Louisa May Alcott** tells the semi-autobiographical story of the March sisters as they grow from girlhood to womanhood during the Civil War years. The new film, written and directed by **Greta Gerwig**, will shoot in Boston and surrounding areas from October through the end of the year. If that's you, send headshot and resume if available and three current photos, one face close-up and two full body photos to littlewomen@kendallcoopercasting.com. Also, let them know if you have a tattoo.
