Dear Reader,

We would like to cultivate a list of individuals who seek paid work in professional independent and Massachusetts Office of Film supported productions such as movies, film, TV assignments, drama, voice, video and photo model for consumer brands.

If you are interested in working with us to create this list send a note.

EMAIL CONTACT@BLACKBOSTON.COM

In previous years we scouted for National TV Network casting calls and local big budget produced movies. We've spoken with stage theaters and listed jobs available for their drama productions. We have also referred Audio-Visual, Photographers and Video Production personnel to projects.

There is no EXCLUSIVE AGENCY requirement.

We will work with you on a referral commission basis.

(negotiable, 10% for first few placements)

The pay scale for the jobs will range and you'll be paid direct by the hiring studio.

See our portfolio of work in this industry, listed on our movie poster page.
