

*Job Title:	Speech Research Consultant
Company Name:	Speech Technology and Applied Research
No of Openings:	5
Days/hours & duration of job:	4 hours on one day
Wage/Salary:	\$60 per hour
Employment Start Date:	TBA
Employment End Date:	TBA
*Job Description:	We are seeking short-term consultants to test the usefulness of software we have recently developed for acoustical analysis of speech. Consultants will be interviewed concerning their experience with the software. We anticipate that consultants will be required for 2 - 4 hours on a single day, depending on the version of the software tested. We expect to complete all sessions during July and early August of 2010.
Qualifications:	A Ph.D. candidate or recent Ph.D. graduate with a background in neuroscience or neurologically based disorders and some experience with acoustical analysis of speech. Must have good oral and written English language skills, be eligible to work in the U.S., and provide contact information for doctoral committee chair.
Additional Application Instructions:	Candidates who fit the criteria should send email inquiries to the email address: suzanneb@s-t-a-r-corp.com .
Desired Document(s):	References Resume
