### YANCEY TO APPEAR ON REVEREND BRUCE WALL'S SIMULCAST PROGRAM

Boston City Hall (January 11, 2008) – Boston City Councillor Charles C. Yancey will share the microphone with Reverend Bruce Wall, during Wall's ground-breaking, remote radio/internet, simulcast program this Saturday, January 12, 2008, 6:00 P.M. to 7:00 P.M. on **590 AM, WEZE**, and on <http://www.bostoninspirationnetwork.org/>.

The program, *Let's Pray*, will be simulcast live in front of a studio audience from the Taste of Eden Restaurant located at 38 Norfolk Street in Dorchester. Reserved seating and dinner for the program is available by calling (617) 282-7794.

Pastor Wall said although the program's main focus is primarily on what's happening in local communities, it also addresses issues happening in other communities throughout New England. Wall noted that his radio programs often draw phone calls from Cape Cod to New Hampshire. The program's live, call-in number will be (617) 328-7514.

Councillor Yancey said he is thrilled to be part of Wall's latest media undertaking, which includes previous broadcasts on two radio stations and two cable television channels. He complimented Wall's use of technology to reach out to community members. "Pastor Wall, like many politicians and entrepreneurs, is using the internet to expand his audience and in doing so, he will be able to bring communities together," he said.

Councillor Yancey expects to discuss key issues facing the City of Boston, including education, public safety and housing. He is also expected to announce his choice for the next President of the United States.
